

NFLS v NIS

44 v 41

By A2-2 Steven and A2-1 Billy
12/10/2014

Lead by the Centre Principal Mr. Leigh Smith, our basketball team went to NIS for a friendly match. The players at NIS are all foreigners who seemed to be stronger than us, well-trained and better organized. However, we did not lose confidence before the game.

With the encouragement of our principal Mr Leigh, James, along with four other talented players went to the court for first quarter. With the Sam's smooth passing and James's accurate shooting, the Terminators got one score lead in the first quarter. In the second quarter, the defense of our team was a bit loose, but Jason and Robert played extremely well in offense. Robert shot two successive three pointers, Jason converted an "and one" and grabbed several offensive rebounds. Their combined performance helped the Terminators to establish a four points lead at the end of the first half.

In the second half, NIS players started to be offensive and also increase their defensive strength. Luckily, James' hand was still hot, and he scored 23 point in total. In the last quarter, Billy scored two key points to stabilize the match with NIS catching up. Steven's ability of grabbing rebounds was another key element in winning. He secured most of the defensive rebound leaving no second chance for NIS to offend. In the last minute, NIS nearly evened up the score, thanks to James' break through, we ensured a three points lead again and maintained the lead until the end of the match.

Finally, the score settled at 44-NFLS Terminators to 41-NIS, and all of the players gained friendship and respect from each other by shaking hands.
